

Tips to Keep Your Classroom Safe

01

Remind students about hand washing

02

Place desks 6 feet apart, facing the same direction

03

Review with students how to wear a face mask

04

Keep windows open

05

Remind students about respiratory hygiene

06

Remove soft and porous materials

07

Establish a regular cleaning and disinfecting schedule

08

Tell students to let an adult know if they are feeling sick

09

Refer students to the school nurse if they experience any symptoms
